CONWEIGH

A photograph of a mobile container weighing scale on a site. The scale is a long, low-profile metal structure with orange hydraulic jacks at the ends. It is positioned between two large, grey, corrugated metal storage containers. In the background, a white pickup truck is parked, with a logo on its side that reads "CONWEIGH". The number "824201" is printed vertically on the side of the container in the foreground. The scene is set outdoors with trees and a cloudy sky in the background.
